About US

Some people fall prey to the anti-nationalists' snares. These kids grow up to be juvenile offenders. Later, they develop into criminals who carry out crimes. particularly the boys, to set up a home for the children who require care and protections, who have lost their mother, father, or both due to fatal diseases like Corona, various accidents, and domestic violence, and to provide them with basic needs like food, clothing, hygiene, and protection.

Numerous youngsters have benefited from its numerous good deeds, including many rural students. Due to their poverty and lack of access to fundamental rights like food, clothes, shelter, education security, maintenance, etc., the majority of children who have lost one or both of their parents for a variety of reasons and who are ignored by their parents end up working as youngsters in the current circumstances. Some kids develop drug addictions.

Vision

To create a society where every child is to nurtured, protected, and empowered to achieve their full potential, fostering a future of equality, dignity, and opportunity for all in a society.

Mission

To provide a safe, nurturing, and inclusive environment for children in need, ensuring their access to education, healthcare, and emotional well-being. We strive to empower them with life skills and values, enabling them to become self-reliant and responsible citizens.

Flood Relief - 1

Due to the heavy rainfall and subsequent flooding caused by Cyclone Fengal that hit in December 2024, villages in the Nellikuppam area of Cuddalore District were plunged into darkness. Numerous farmlands, as well as electrical appliances and household goods in homes, were submerged.

*Flood Relief activity in
Mulligrampattu & Vanapakkam*

When the flooding began, particularly in the villages of Mulligramapattu and then Vanpakkam under Nellikuppam Municipality, upon hearing the news, we joined volunteers and immediately arranged for a Van. Working for approximately one hour at night, we safely rescued the children, women, and elderly people there.

Following the rescue, we continued to provide food and relief materials to the people of Vanpakkam and Mulligramapattu. We personally visited the people sheltered in the relief camps to distribute the aid.
